Achievements and Honors:

Secured 1st prize in Table tennis tournament for 4 consecutive years
conducted by the good shepherd matric higher secondary school.

Projects:**FOOD FEAST APPLICATION**

Developed an application called “FOOD FEAST APPLICATION” in Ug final year.
By using Restaurant Ordering System Using Mobile Application, The customer's orders will be sent to the kitchen chef through the mobile device. The waiters don't have to go to the kitchen or bar department to give the order because the order lists will be display to the department's screen. The transaction between the waiter and the restaurant departments and also between waiter and the cashier will be systematic.

Front End : Microsoft visual studio 2008 (ASP.NET)
